COMMENCEMENT STARTS SUNDAY IN W. LIBERTY

Rev. C. C. Hobbs To
Preach Baccalaureate
Here Sunday Night

Commencement week exercises at the Morgan County high school will open Sunday, May 15, with baccalaureate services at 7:30 p.m. and will be concluded on Thursday evening of next week with commencement exercises when a senior class of 42 members will be graduated.

Lloyd E. Patterson, principal, announces that Rev. Charles C. Hobbs, pastor of the West Liberty Baptist church, will preach the baccalaureate sermon Sunday evening at 7:30 in the school auditorium.

Dr. Robert R. Martin, Frankfort, head of the division of administration and finance of the State Department of Education, will deliver the commencement address to the class Thursday evening of next week in the high school auditorium.

Miss Carolyn Gabbard, daughter of Mr. and Mrs. Floyd Gabbard of West Liberty, high-ranking honor student of the week at the school, will deliver the valedictory address, and Miss Josephine Lykins, daughter of Mrs. Noble Lykins of Caney, second high-ranking student, will give the salutatory address.

The junior-senior banquet will be held in the school lunchroom Friday evening of this week at 6 o'clock. Paul Williams, valedictorian, will be toastmaster, and the banquet will be served by the exchanging food committee. Paula Hamilton, president of the junior class, will deliver the welcome address.

Class day exercises will be held Wednesday evening of next week in the school auditorium.

For the baccalaureate service Sunday evening, Miss Anna Carol Stewart will present the procession. Rev. Robert L. Meyers will speak the invocation and Rev. Glenn McAllister the benediction. A trio composed of Misses Paula Hamilton, Claudette Fletcher and Carolyn Gabbard will sing "At the Crossroads," and Darrell Adams will sing "The Lord's Prayer."

At the commencement exercises next Thursday, County Superintendent J. K. Barringer will present diplomas to the class, and Mr. Patterson and Mrs. C. K. Stacy will present the honor awards. The invocation will be by Rev. J. Ryan Nevius and the benediction by Rev. J. K. Barringer.

In Ol' Morgan

TIME! TIME! TIME!
This changing time—first slow, then fast!
We think it has been set at last.
And though it is a bitter pill
For some who said they wouldn't
But will—
We find they're turning up the clock
To keep in step with all the flock.
One thing we know of fast-time days:
It makes us not so set in our ways!

Farm Union Praises House Passage Of 90% Farm Price Support Bill

The Morgan County Farmers Union, meeting here Monday night to hear addresses by representatives of National Farmers Union, from Denver, enacted a resolution asking Kentucky's U.S. Senators to work and vote for passage of the House-enacted bill to restore 90% parity price supports on farm products.

The Union also voted resolutions of thanks to the six Kentucky Representatives who voted for the House bill last Friday to restore 90% parity farm price supports. Both resolutions were by unanimous vote. A committee composed of Paul Williams, Custer Jones and Earl W. Kinner was named to draft the resolutions to Kentucky representatives in Congress.

Dr. John Eklund of Denver, National Farmers Union director of education, and Rev. Stanley Hamilton of Indiana, regional education director, addressed the group.

Dr. Eklund said the Farmers Union was invited into Kentucky by farmers who saw no hope for a balance between agricultural and industrial economy unless they joined in an organization

that would reflect the wishes of the farmer and fight for legislation that will give an equal chance to farmers. Farm prices will be made in Washington for a good many years in the future, he said, and the farmer needs grass-roots representation rather than a one-man farm program. "If government could be withdrawn from all other parts of our economy, I think farming could be freed too, but government can't do that," he said. "The farmer needs equal parity, not sliding scale parity. If a farmer back in the old days could buy a shirt with a bushel of wheat, he ought to be able to come to town and buy a shirt with a bushel of wheat today—that's parity," he said.

Then he declared, "The most vicious philosophy I ever heard was given by one person who said he represented farmers before a Congressional committee two weeks ago. He said the spokesmen told the committee, 'If some farmers can't make it

WEST LIBERTY ON FAST TIME

Townpeople voted 32 to 28 in favor of Daylight Saving Time at a mass meeting in the court house in West Liberty Monday night and the city council promptly voted to put West Liberty on "fast" time during the summer months. The new time went into effect officially that night at midnight.

The city council at an earlier meeting had agreed to leave the matter of fast or slow time for summer months up to a vote of the people and the mass meeting was called by Mayor Alvin Evans to decide the issue. Mayor Evans presided at the meeting.

West Liberty adopted fast time last summer but many rural residents objected to the change. Most of the rural sections remain on slow time.

Mr. Sterling's city council at a meeting Tuesday night adopted fast time for summer months.

VANCE FORK ROAD NOW CONSTRUCTED

The Licking River Limestone Company completed work this Wednesday on construction of the Vance Fork highway, a distance of 1.56 miles. Construction was started March 9. The sector was graded, drained and surfaced with traffic bound limestone.

The sector started at Lewis Station on Ky-191 and ended at the Vance Fork road which was built in 1951 by the same company. The first sector was 1.52 miles and started at the White Oak-Caney highway. Distance over the new road from Lewis Station on Ky 191 to White Oak on US 460 is 4 miles as compared to 7.2 miles from Ky 191 at Caney to White Oak.

Raymond Goss, resident engineer here, said that work is well underway on the White Oak road which begins at US 460 two miles southeast of White Oak and extends to the Magoffin line where it is to connect to a Magoffin county highway a mile north of Harper. The White Oak road is being constructed also by Licking River Limestone Co. and consists of grade, drain and limestone surfacing.

Both highways will open up a fine farming section, and people living along these highways are genuinely thankful for the improvements through their communities. They comment frequently of the splendid progress that has been made in highway building in Morgan during the past eight years.

Fire Destroys Home At Blaze Monday

A five-room tenant house on the farm of H. R. Stacy near Ezzel and tenanted by Grover Cox and family was destroyed by fire Monday night.

No one was at home when the fire started and its origin is not known.

Mrs. Cox and one of her children were in West Liberty at the time. The two other children were in school and Mr. Cox and his brother were in a nearby field weeding a tobacco bed. The home was a mass of flames when Mr. Cox discovered the fire. He and his brother rushed to the house but were able to save only a television set. All other household goods and clothing were destroyed in the blaze.

Chandler Will Speak In West Liberty 19th

A. B. "Happy" Chandler of Versailles, Woodford county, candidate for Governor, will speak in West Liberty Thursday, May 19, it was announced this week by his campaign manager in Morgan county, Lonnie Smith of Wrigley. Smith said Chandler would speak at 2 p.m. in the courthouse square that everyone is cordially invited.

Roland Stacy spent last week end in Pineville visiting Mrs. Stacy who is a patient in a hospital there. She is reported to be improving nicely.

Burley Penalty For Red Card Tobacco

The U. S. Department of Agriculture this week announced the penalty rate for selling 1955-crop burley tobacco in excess of quota allotment would be 37 cents per pound. This represents 75 percent of the average marketing price of burley for the preceding year.

The new crop law passed a few weeks ago raised the penalty for excess or "red card" burley from 50 percent to 75 percent of the average price received the preceding year. Burley sold last year at an average of 49.8 cents per pound.

Mrs. Deda Combs Is Victim In Ohio

Mrs. Deda Combs died in Fairborn, Ohio last Thursday, and funeral was held at Old Grass Creek church Sunday, with Rev. Harlan Murphy and Rev. J. Ryan Nevius officiating. Burial was in Old Grass cemetery under direction of Potter Funeral Home. Survivors are a daughter, Mrs. Forest Williams, and three sons.

Churches Here Go On Daylight Time

Fast time will be observed beginning this Sunday at the Methodist and Christian churches, possibly others.

Let all the people regulate themselves accordingly and neglect not the assembling of themselves in the house of God.

Remember to be at Sunday school at the hour of ten or such time as your school meets.

CANCER FUND DRIVE

Shower rural workers have not sent in reports of the contributions collected in their communities, a complete list of funds will not be made until next week, according to Mrs. C. K. Stacy, county chairman. All town solicitors have reported.

The First Church of God here has their second spring revival of this year with Rev. Rupert Green, evangelist from Greenville, Tennessee. Rev. Green comes highly recommended. His wife will assist in special singing. Everyone is invited to come each night. Services begin at 8:30 fast time. Christian fellowship is a regular practice of the congregation.

Rev. Glenn McAllister is pastor.

COURT TO OPEN HERE MONDAY

May term of the Morgan circuit court will be convened here Monday by Judge John A. Keck (Sandy Hook).

No murder cases are on the docket and the court will have a very light docket to dispose of. Circuit Clerk Walter Franklin said.

Misdemeanor cases are set for the first day of the term and felonies for the second and third.

The grand jury has a number of robberies to investigate, latest of which is the attempt to crack the safe of the May Grocery Company in West Liberty last Sunday night. A dynamite blast was set off in the company office, doing considerable damage, but the safe was not entered.

Club Holds Working At Swimming Pool

The Kiwanis Club sponsored a "working" at the public playground and the swimming pool Wednesday afternoon of last week. Twenty Kiwanians and a few townspeople spent the afternoon cleaning trash from the playground, mowing weeds and sowing the playground in grass. Wives of Kiwanians prepared a picnic lunch and joined them in picnic at 2 o'clock. The swimming pool will be officially dedicated and opened May 31 with a beauty contest and program.

HAMILT'N - KINCAID STAGE MOUND DUEL IN EXCITING GAME

W. Liberty Nips
Beattyville Nine
In Loop Opener

West Liberty's baseball team, behind the sensational 4-hit, 17-strikeout pitching of lefty Steve Hamilton tallied a run in the seventh and then came back to push across three more in the eighth to take the measure of a strong Beattyville nine by 5-1 here Sunday to open Bluegrass League playing.

The late inning outburst by the local club broke up a tight mound duel between Hamilton and Beattyville's Shirley Kincaid, an ex-minor leaguer.

The visitors took an early lead in the contest as Charles Hall, burly catcher of the Beattyville club, got around one of Hamilton's fast balls and drove it deep into left field for a home run with one out in the second. Hamilton avenged the blow in the following innings, however, whiffing Hall in two of his last three plate appearances.

The local club knotted the count 1-1 in their half of the third as Bob Blair took first after being hit by a pitch, took second on a single by Peltrey, and then scored, as Franklin forced Peltrey at second.

The count remained all even until the bottom half of the seventh when once again the locals came up with a single tally, which was enough to give them a 2-1 advantage and their first lead of the game.

A single by Stacy, who reached third via a 2-base error by the Beattyville centerfielder, and then another error by the visitor's second baseman spelled the run for West Liberty.

As it turned out, this was actually all the local team needed to win the contest although they did rack up three more counters in the bottom of the eighth to bring the final tally to 5-1.

Two hits, a base on balls and two Beattyville errors accounted for the scoring thrust. Merle Nickell highlighted the inning as he stole home, feat that is not uncommon for the fleet-footed first baseman.

Fred Blair paced the local hitters by collecting two of their five safeties. Hall's smash was the only worth-while blow for Beattyville.

The local club travels to Irvine next Sunday for a test with a strong Irvine nine.

2-COUNTY SHEEP MEETING IS HELD

A sheep meeting was held for Morgan and Wolfe county shepherds on the farm of Albert Cecil of Hazel Green Friday, May 6.

Morgan County Agent Carl W. Sinclair had charge of the meeting and introduced Richard C. Miller, University of Kentucky Extension sheep specialist.

Mr. Miller told the group that they could expect about a \$30 increase per ewe per year. He said that six ewes were equal to one cow or one animal unit.

Miller said that California ewe lambs or short yearlings would be available only during the next week or 10 days. Morgan county is going to try to get enough orders for a carload of 250 ewes. John Cundiff of Salem has an order for 30 and Hager Ray, Salem, has an order for 15. These lambs can be bred this fall to lamb next spring. They are of the desirable blackface type and will be good for seven or eight years or more.

Anyone wanting to order these lambs must order during the next week. A \$20 deposit must be placed for each ewe lamb and Tom D. Stacy will serve as treasurer for this sheep fund. Contact the county agent's office within the next week for an order for these excellent breeding ewes at cost.

According to Sinclair, 25 West-ern ewes can have about the return as one acre of tobacco.

Jasper Jones of Adick has 39 ewes. John Cundiff of Salem has an order for 30 and Hager Ray, Salem, has an order for 15. These lambs can be bred this fall to lamb next spring. They are of the desirable blackface type and will be good for seven or eight years or more.

The U. S. Government through the ASC office has an excellent incentive price on wool that will run four years, according to Mr. Miller. The wool brings an income in May and lambs during an income during May and June when there is no other income on the farm.

Morgan county should be one of the great sheep counties in Kentucky. Our farms have the tobacco barns, pasture and hay. It is possible to borrow money to begin sheep production if the facilities are available. The outlook for wool and lamb prices is bright.

FAIR BOARD TO MEET

The Morgan County Fair Board will meet in the REA building Tuesday, May 17 at 7:30 p.m. All members are urged to attend.

ANNOUNCING OUR NEW LOW-COST FUNERAL FINANCING TO THE PUBLIC

You no longer need to borrow money for cash funeral expense. We are now in position to finance your funerals. No matter how expensive or how low the funeral cost, it will suit your needs.

If you are a farmer, we can give to you a single payment Farmer's Plan, payable in 3, 6, 9 or 12 months when your tobacco crop is sold.

If you have a monthly income, we can offer you a 12, 15 or 18 months plan to pay monthly. Or we can give you a single payment plan to be paid when an estate has to be sold for funeral bills of old age pensioners.

Many are now using this plan and find it to be helpful and non-burdensome. In case of death of persons liable for the funeral expense, the balance is automatically paid up and leaves no burdens on those of the family that remain.

For further details on financing funerals, see—

THIEVES ACTIVE NEAR MIZE

MIZE, Ky., May 9.—(By Gladys C. Nickell)—The tobacco canvas disappeared from Darrell Lynkous' tobacco bed a few nights ago. Lynkous had bloodhounds trailing for the thief. The writer was unable to get to Sunday school a few days ago because the thieves had drained her gas tank Saturday night.

Rev. and Mrs. Harlen Murphy were dinner guests of Mr. and Mrs. J. A. Oldfield the third Sunday in April.

Mr. and Mrs. Woodford Cecil and family of Huntington, W. Va., visited Mr. Cecil's mother, Mrs. C. F. Cecil, on Mother's Day.

Mrs. John Kid has been working for Mrs. Sam Cecil since her return from the hospital.

Mrs. Bessie Lindon and Hazel Patrick were dinner guests of the writer May 6th and assisted the writer in quilting.

Mrs. Shade Combs' funeral was conducted at Old Grassy Mother's Day by Rev. Harlen Murphy and Rev. Nevius of West Liberty. C. F. Cecil and son Wilmer and Bernard Buchanan have returned from a fishing trip to their cabin in West Virginia.

Younger Davidson of Milan, Ind. was a recent visitor at his brother, Sam Davidson's home.

Orville Hampton's only milk cow died suddenly last week. She was thought to have been poisoned from nitrate of soda which she licked from a plank where she was grazing.

The farm wife who wants a new kitchen, bathroom or other substantial addition to home equipment can finance the improvement out of spare money she puts away regularly in series E Savings Bonds, which grow in value each six months.

NEW PLANT OPENS IN WEST LIBERTY

A new business is being estab-
lished in West Liberty this week
—The West Liberty Block &
Supply Company.

The company is owned by W.
Major Gardner, Reed Halsey and
Ormond Lewis, and will manu-
facture concrete building blocks,
cement and mortar. The company
has leased the former L. B. Reed
garage building on Main street
and already has installed modern
concrete block-making machin-
ery. The plant consists of a new
block-making machine capable of
producing 2,400 blocks a day, a
conveyor and continuous mixer.
Monroe Collins of Cottle, well
known local contractor, is man-
ager of the plant, and a force of
five men will be employed to
operate the plant.

The firm manufactures stand-
ard 8 inch concrete blocks, and
corner and sash blocks. They are
made from cement, sand and
limestone to meet contractors' specifications.

The firm not only manu-
factures the blocks but delivers
them to the buyers. With con-
siderable building going on and
proposed, the new firm evidently
will be operating at capacity in
the immediate future.

PRICE SUPPORT

(Continued from page one)
on the farms, they ought to get
off the farms. The purpose and
main objective of the Farmers
Union is to save the family-size
farm," Hamilton said. "To do
this, the farmer needs 100% par-
ity price supports."

R. O. Wilson, Kentucky organ-
izational director of the Union,
also spoke briefly.

The Union voted to hold com-
munity meetings in each of the
five magisterial districts of the
county to explain the Union's
program to farmers.

Prior to the meeting, Dr. Ek-
lund, Rev. Hamilton and Mr.
Wilson met with officers of the
Morgan County Farm Union at a
dinner meeting at Stamper's.
Present were Albert Dorsey,
president; Paul Williams, secre-
tary; and Robert Potter, Walter
Daniels, Glenn Lacy and Lloyd
Conley, directors; Dillard Mur-
phy and Earl W. Kinner.

CLUB LEADERS TO MEET

Wednesday, May 18 at REA
building all county presidents of
homemakers organizations will
meet and plan programs for next
year. Evelyn Sinclair, Morgan
home agent, and Mrs. Helen M.
White, assistant state leader of
home agents, will attend.

Seventh Grade Visits Frankfort Wednesday

Mrs. Mildred McLain's seventh
grade home room climaxed their
year's study of Kentucky History
with a visit to the capitol at
Frankfort Wednesday.

The high spots of the trip was
the meeting with Gov. Wetherby.
He was gracious and friendly and
his sincere interest in school chil-
dren was apparent.

The trip to the State House,
where we were guided by Mr.
Smith, made history a living
thing in the new capitol Mr.
J. Gruggin, who has been a
guide there for many years, said,
"I have never guided a bad
bunch of children from Morgan
county or any place in the moun-
tains. I see people from all over
the world but the best, most hon-
est people come from the moun-
tains of Kentucky."

There was lunch at Putt's Res-
taurant, a trip to the Publicity
Department in the new annex
where Ruth Davis Wells is em-
ployed, a visit to Keeneland and
a home visit to the McLain home,
which completed a full and pro-
fitable day.

James Hutchinson was the bus
driver and Mrs. Ray Stratton was
chaperone.

The following 39 students made
the trip: Jack Cline, Jimmie D.
Fanning, Catron Ferguson, Billy
D. Gevedon, Richard Gose, Ron-
nie Hamilton, John Hutchinson,
Danny McLain, Arlie Pack, Jack-
ie Lee Caskey, Gene Risner,
Shirley Adams, Kay Barker, Bar-

TO ATTEND CONVENTION OF WOMEN'S CLUBS

The Kentucky Federation of
Women's Club will hold its an-
nual convention at the Phoenix
Hotel in Lexington next Tuesday,
Wednesday and Thursday. The
following plan to attend: Mrs.
Crystal Howard, Seventh District
Governor; Miss Florence Mc-
Guire, president of the Morgan
County Women's Club; and Mrs.
Earl W. Kinner.

BIBLE STUDY SCHEDULED

A series of studies in the Book
of Revelations dealing with the
Tribulation Period is being held
every Wednesday night at the
Wheelrim Mission at 7 p.m. The
Mission is on Wheelrim Creek,
two miles off Route 134. Wheel-
rim road is about 5 miles from
Adele. All are welcome. A big
sixteen-foot chart is being used
by Rev. Harry J. Sension in the
studies.

MEETING AT WOODSBEND

A meeting will be held at
Woodsbend school May 16 for all
women in that community. Mrs.
Evelyn Sinclair, Morgan home
agent, will be present and will
demonstrate different types of
cookies.

LADIES AID MEETING

The Ladies Aid met in the
Fellowship room of the Christian
church May 5 for program and
business. Those present were:
Mrs. Richard Brown, Mrs. Sattie
Pieratt, Mrs. Vic McGinn, Mrs.
Grace Wells, Mrs. Dixie Carter,
Mrs. Lillian Blair, Mrs. Maude
Perry, Mrs. W. H. Wells, Mrs.
Carrie Elam, Mrs. Mary Davis,
Mrs. Tom Wells, Mrs. Ina Easter-
ling, Mrs. Lucy M. Davis, Rev.
and Mrs. J. R. Nevius and Miss
Josephine McGuire.

Vic McGinn was in charge of
the "Mother's Day" program, op-
ening with singing "Sweet By
and By." Scripture readings from
Matthew, John and Acts by Mary
Davis and Carrie Elam. A hymn
was read by Josephine McGuire
and a poem by Vic McGinn.
Each told of the memories in her
own mother's life, closing with
sentimental prayers.

Hostesses were Lula Arnett and
Josephine McGuire, serving a
salad with tea and coffee.

SOIL—The Barometer of the Rural Church

THE LORD COMMANDS US TO BE GOOD STEWARDS OF THE SOIL

What is the relationship be-
tween the rural church and the
kind of land in the community
it serves? Is the condition of the
land reflected in the number of
church members, the number of
services held, the regularity with
which the members attend the
services, and the amount of their
contributions?

A survey of 155 rural Metho-
dist churches in the South Caro-
lina Conference, located in the
Piedmont or hilly section of the
state, indicates that the answer
is yes. It shows that the produc-
tivity of the land is a good bar-
ometer of the prosperity of the
church and the extent to which
members of the church take
part in the various phases of its
program.

Rev. E. H. Coale, Methodist
missionary on sabbatical leave
from his post in Africa, made
the survey to determine what
benefits might result from a soil
conservation program in connec-
tion with his work in the Rural
Training Center at Asaba, Ni-
geria. At the same time he
worked with Soil Conservation
Service employees on farms, and
studied principles of soil and
water conservation as applied in
soil conservation districts in the
Southeastern Region.

Mr. Coale returned to his post
in Nigeria convinced that he had
the basis for a sound approach
to the interrelated problems of
the physical and spiritual well-
fare of his primitive agricultural
people. But the results of his
survey—a scientific analysis of the
relationship of the land to the
church—were not so simple and
straightforward as he had antici-
pated. For the survey presented
the most accurate and compre-
hensive information available
within a two-mile radius of
each church, careful calculations
were made of a range of factors
in each of the eight capability
classes used by the Soil Conserva-
tion Service. Where 50 percent
or more of the land was in Capa-
bility Classes I, II, and III, which

are suitable for intensive use for
row crop production, the church
was considered as having good
land conditions. Where the fig-
ure was less than 50 percent,
the church was classified as hav-
ing poor land conditions.

Mr. Coale personally interview-
ed representatives of each of the
155 churches to obtain financial
data from the church records.

It so happened that the two
groups were fairly well divided,
with 73 churches in the good-
land group and 82 in the poor-

A striking difference was in the
amount of per-capita contribu-
tions—members of the good-land
churches contributed \$22.05 com-
pared with \$15.34 for the poor-
land group. This indicated two
things. The good land was able
to support more people, which
resulted in larger average mem-
bership and providing more in-
come, which resulted in larger
per-capita contributions. The les-
son for the rural church is clear.
Communities which permit the
productivity capacity of their
land to decline can expect the
membership of churches and the
per-capita contributions to de-
cline.

Baptist Group Holds Banquet to Conclude Week Of Activities

West Liberty Baptist church basement was a scene of unusual beauty and originality Saturday evening at 6:30 when the youth of the church were entertained at a banquet by the W.M.U. of the church.

Chairman of arrangements was Miss Miriam Whitaker. Theme for the banquet was "Lighters of Candles," and the motif was effectively carried out in colors of green and white. A large map of the U. S. flanked with people of various occupations occupied the space just behind the speaker's table. Two huge candles constructed from cardboard and electric lights were placed on either side of the map and furnished the light for the occasion. Lighted tapers on the tables interspersed with greenery furnished the remainder of the decorations.

A delicious menu of Kentucky baked ham, escapoped potatoes, spring greens, mashed salad, hot rolls, iced tea, strawberry short cake, and relish was served by the women to the 35 present.

The following program was given for the youth with Warren Robbins serving as master of ceremonies. Invocation, Marvin O. Berry; Response, Darrell Adams; Group Singing, led by Berlyn Brown; "The Mop Sisters," a musical feature, portrayed by Berlyn Brown and Marvin O. Berry; Quiz, J. W. Cecil; Drama, a humorous act by the young people; "I Love Life," Mary Ellen Henson; Recognition of Seniors, Rev. Charles Hobbs, who gave gifts from the church to the graduating seniors of the church; Inspiration, Rev. Charles Hobbs, and benediction.

The banquet was a climax of an entire week of youth activities at the church in which the church program was run by them. The program, initiated by Rev. Hobbs, proved a huge success as the young people actually were given positions in church organization.

You've often read or heard references to savings as a "nest egg" for your future. The treasury Department reminds us that china nest eggs don't grow into chickens, whereas money put into series E savings Bonds can grow for nearly twenty years. And you can count your chickens before they are hatched: the cash values for each six months are guaranteed in advance by Uncle Sam.

Water systems, telephones and improved kitchen feature the farm and home improvement program in Hart county.

BIG PROOF of ELECTRIC WATER HEATING'S Super-Safety!

Here's proof you can SEE that electric water heaters offer extra safety. At top... no vents. At bottom... no flame. That means you can install this water heater

anywhere. And once it's in, you can forget it... except for the satisfaction of knowing you have the safest, cleanest, most modern water heater that money buys.

Kentucky Power Company

Building a new home or remodeling? Be Modern... heat water Electrically.

CAN YOU SEE, STEER, STOP SAFELY? CHECK YOUR CAR—CHECK ACCIDENTS.

POWER—Pontiac's husky 200-horsepower Strato-Streak V-8 with four-barrel carburetor, optional at low extra cost, delivers more power than any car within hundreds of dollars of its price. And road records show this power is teamed with the greatest economy in Pontiac history.

STYLE—No car at any price is so beautifully distinctive. Pontiac's future-fashioned Twin-Streak styling and Vogue Two-Tone set it apart from all other cars—point the way to tomorrow.

SIZE—Pontiac is a big car where it counts—with a long, road-hugging 122" or 124" wheelbase. On any road, at any speed, you enjoy the feeling of genuine fine-car size.

COMFORT—Pontiac's extra size means big-car comfort—room to stretch out and relax. Wide-stance rear springs and Shock-Proof chassis float you along in luxury style.

If you were to guess Pontiac's price on the basis of its style, performance and size, you'd surely guess hundreds of dollars higher than its actual cost. Pontiac measures up with the finest on any point of comparison—except price.

It's a simple matter of fact that you can buy a big, powerful Pontiac for less than many models of the lowest-priced cars and much less than stripped economy models of higher-priced makes!

After a close inspection of Pontiac's luxury and quality and a few miles commanding its mighty 200-horsepower Strato-Streak V-8, buyers from both ends of the price scale are switching to Pontiac in record-breaking numbers. Come in soon for the clinching facts and figures. You'll make the very pleasant discovery that if you can afford any new car, you can afford a big, powerful Pontiac—and step directly into the fine-car class!

EZEL SCHOOL

(Continued from page 1)
Rev. Watkins, Polly Watkins-Pro-
land Watson, James Robert Wells.

Annual Bible Program and
Baccalaureate on Sunday

Ezel school's annual Bible pro-
gram, including the Jeanette C.
Alter awards in Bible memory
and Bible reading, will be held
in the Ezel Community United
Presbyterian church Sunday, May
13, at 9:45 a.m. The first part of
the program will include mem-
ory selections and Bible exercises
learned by the elementary chil-
dren during the school year. This
will be followed by the finals in
the Junior High Bible memory
contest and the finals in the Sen-
ior High school Bible reading
contest.

Rev. Day Kennedy, pastor of
Scotch Ridge United Presbyter-
ian church near Pemberville in
Northern Ohio, will preach the
baccalaureate sermon at the eve-
ning service, which also will be
held in the church sanctuary at
7:30 p.m. Rev. Kennedy is a well-
known minister in his church and
a favorite at youth conferences,
where a number of Ezel's young
people have met him. Both the
senior graduating class and the
eighth grade graduates will at-
tend this baccalaureate service.

Eighth Grade Exercises

Ezel school's eighth grade will
present their class play on Tues-
day night, May 17, at 7:30 in the
Woods Memorial auditorium. The
play is, "Raspberry Red" by Geo.
York. Following the play they will
receive their certificates of pro-
motion to senior high school.

HOMEMAKERS MEETING

Licking River Homemakers met
Wednesday with Mrs. Pearl Lew-
is and saw Mrs. Evelyn Sinclair,
home agent, give a demonstra-
tion on making cookies. From
one basic cookie dough, she made
twelve types of cookies, includ-
ing brownies and oat meal. The
cookies were enjoyed by Mr. and
Mrs. Lewis, Mrs. Mollie Henry,
Mrs. Nora Wells, Mrs. Mabel C.
Barber, Mrs. Mort Neal, Mrs.
Helen H. Conley, Mrs. G. C.
Allen and Mrs. Nettie Lewis.
Mrs. Sinclair also checked Mrs.
Lewis' even in her stove for ac-
curacy.

The next meeting will be held
at Licking River school June 20
and the lesson will be on copper
tooling.

How To Hold FALSE TEETH More Firmly in Place

Do your false teeth annoy and em-
barrass by slipping, dropping or wob-
bling when you eat, laugh or talk?
Just sprinkle a little FASTEETH on
your plates. This alkaline (non-acid)
powder holds false teeth more firmly
and more comfortably. No gummy,
gooey, pasty taste or feeling. Does not
sour, checks "plate odor" (denture
breath). Get FASTEETH today at
any drug counter.

GREEN BEANS AS A NEW CASH CROP ON LOCAL FARMS

Green beans is a cash crop if the farmer is willing to gamble, as the price of fresh produce will often vary a great deal from day to day. The price of green beans is usually best early in the season and for this reason only early beans are recommended, according to County Agent Carl Sinclair.

Marketing or Selling

The beans will be handled by The Licking Valley Cooperative, a group of farmers in Montgomery, Bath, Rowan, Menifee and Morgan who will ship to a vegetable broker or seller in Cincinnati. This broker charges 10% of the selling price for handling the beans. You also pay for your share of hauling your beans to the market. Beans are shipped in bushel baskets with a lid. These baskets cost around 25c each and will be bought by the co-op at cost. It will be necessary for you to haul your beans to a pack-up point at Mt. Sterling or Morehead. Several growers can probably haul their beans together.

Time of Planting

It is well to make a planting at the earliest frost free date. April 23 is a fairly safe date, but you know your local conditions best.

Top Crop is the variety the Cincinnati market will take. This is strictly a snap bean and it takes 50 days of good weather from planting to picking, and they yield well, coming off in handfuls. The seed is scarce. There are none available here as they have sold out. We may be able to order some seed through the marketing cooperative. It takes 50-60 pounds to plant an acre and they usually cost 35 to 40 cents per pound.

How to Plant

Plant in rows 3 feet apart and drop 3 inches apart in the row. Cover lightly, not too deep.

Fifteen big bags of stable manure would be all right for an acre and add to that 750 pounds of 20 percent superphosphate. If only complete fertilizer is used, broadcast 1,000 pounds of 4-12-8 or 5-10-10 or 5-16-15. Use more in the row as that would keep roots small and shallow.

One or two pickings and grading demonstrations will be held in the county. This is very important and all bean growers will be notified. Beans must be picked and graded the way the market demands and baskets must be full.

A man may have more courage than a woman, but he doesn't have half the chance to show his backbone.

Of all the lives there is to live, The fisherman's the best. You lean back in a boat all day, And eat and drink and rest. Millville Millie.

SARA GLENN LANE, 10, Morehead, will represent Morehead State College in the Mountain Laurel Festival at Pineville, May 26-29. Her parents are Mr. and Mrs. Glenn W. Lane.

Franklin To Head Combs Campaign

Walter Franklin, West Liberty, has been appointed Morgan county campaign chairman for Bert T. Combs, candidate for the Democratic nomination for governor.

The appointment was announced by Ramsey H. Taylor, state campaign chairman for Combs, former judge of the Court of Appeals.

Mr. Franklin's appointment was announced at the same time as were the chairmen to run Combs' campaign in 21 other counties.

Social Security Man To Aid Farmers In Applying for Benefit

Robert A. Flynn, district manager of the Ashland office of the Social Security Administration, announced that Frank M. Wright, field representative, will visit Sandy Hook and West Liberty on May 3 and May 25. Mr. Wright will be at the DPA office, court house, at 9 a.m. and 12:30 p.m.

Some typical questions that are asked by farmers wanting information of Mr. Wright are:

Question: Does a farmer have to quit work entirely at 65 to get payments?

Answer: No. He may work during the farming seasons, or take a part-time job throughout the year and get all or some of his monthly benefit payments.

Question: If he earns no more than \$1,200 during the year he gets the benefit payments for each month of the year. If he earns more than \$1,200 he may still get benefits.

Question: How many months he works and how much over \$1,200 he earns.

Question: What happens when the farmer reaches age 72?

Answer: When he reaches age 72 he may receive the monthly benefits regardless of the amount of his earnings. However, his earnings for the whole year in which he reaches 72 must be used in figuring the number of payments due in that year.

Question: If a person is already over 65, can he get social-security coverage?

Answer: Yes, the new law applies to workers regardless of their age.

WURT JAYNE DIES

A former tutor of Grayson and Morehead, Wurt W. Jayne, 49, died at Jacksonville, Florida, Sunday from burns sustained Friday night in an apartment house fire.

Mr. Jayne, who was widely known in Eastern Kentucky, was graduated from Morehead State College and served as principal of Morehead High School one year before moving to Grayson.

He decided to leave the teaching profession and enter law, graduating from the Law College at University of Louisville in 1938.

ANNOUNCING OUR NEW

LOW-COST

FUNERAL FINANCING

TO THE PUBLIC

You no longer need to borrow money for cash funeral expense. We are now in position to finance your funerals. No matter how expensive or how low the funeral cost, it will suit your needs.

If you are a farmer, we can give to you a single payment Farmer's Plan, payable in 3, 6, 9 or 12 months when your tobacco crop is sold.

If you have a monthly income, we can offer you a 12, 15 or 18 months plan to pay monthly. Or we can give you a single payment plan to be paid when an estate has to be sold for funeral bills of old age pensioners.

Many are now using this plan and find it to be helpful and non-burdensome. In case of death of persons liable for the funeral expense, the balance is automatically paid up and leaves no burden on those of the family that remain.

For further details on financing funerals, see—

STRAWBERRIES BRING CASH TO FARMER IN MAY

"PAYDAY IN MAY" is a popular farm slogan in many Kentucky counties.

Because everybody likes to eat strawberries, combined with the fact that strawberries have always sold at a fair price as compared with other farm products many farm families have considered growing a commercial patch of strawberries as a cash crop.

When strawberries are planted on good tobacco land and properly cared for, the returns are similar to those from tobacco.

VARIETIES

Blackmore and Tennessee Beauty varieties are recommended for home planting and commercial sales in Kentucky. Both varieties are excellent for fresh use, processing or freezing, and both yield well. Tennessee Beauty has the advantage of blooming a week later than Blackmore, and thus it may avoid injury some years from a late spring frost.

Land Selection and Preparation

Land on which good tobacco or corn was grown the previous year makes an excellent strawberry field because much fertility is already there and the weeds have been kept under control. Pasture or sod land can be used if treated with chlordane to control grub worm.

New ground is excellent for weed control and if properly fertilized it will make a high yield of berries. The soil acidity should be between 5.5 and 6.5. If you are in doubt, have a soil test made.

In preparing the land, it should be broken in late fall or very early spring and thoroughly worked down. Some harrowing may be necessary just before planting time. If the land is sloping the rows should be planted on the contour.

FERTILIZING THE FIRST YEAR

Like all other crops, strawberries produce more on fertile ground than on poor ground. A sound basis for fertilizing is to have a soil test. If a test is not made the soil fertility should be the same as for the growing of tobacco.

During the first year use a complete fertilizer, such as 600 to 800 pounds of a 5-10-10 fertilizer per acre, applied broadcast with a drill in advance of setting the plants.

CHLORDANE

Chlordane is a poison used to control ants, white grub and other enemies that kill strawberries. Tests have shown that it is impossible to keep a stand and good growth without the use of chlordane. Use 20 pounds of 50% chlordane to each acre, five pounds for each one fourth acre or 1,000 plants. Mix the chlordane on a floor or boards etc in the open mixing well with a shovel. Broadcast the fertilizer after mixing chlordane with it and disk it in. Keep chlordane away from children and livestock. Wear old clothing and overshoes or boots and remove them and wash hands carefully immediately after using chlordane.

PLANTING TIME

Strawberry plants should be set out between March 1 and April 10. Plants set out after April 10 are usually slow in starting growth and therefore, runner formation is delayed. The highest yields of berries during the season after planting are made when runners develop early in June and July.

PLANTING DISTANCE

In order for the row to become completely matted the first year, the plants should be set 3 feet apart, in rows 4 feet wide. Some prefer to set the plants 2½ feet apart.

RECEIVING PLANTS

As soon as the plants arrive, they should be unpacked and planted immediately, if possible. Otherwise, they should be heeled in. If left in the original package, they are likely to heat and be seriously injured. For heeling in, select well drained soil, dig a V-shaped trench about 6 inches deep, cut away the wrapping material around the bundle and spread out the plants in the trench fill in with moist, loose soil so that it comes in contact with all roots, and firm the soil about the roots.

SETTING THE PLANTS

Set the plants by hand, using a trowel, spade or hoe. Make a hole large enough for the roots to be spread out fan-shape, and set the plants so that the bud, or top of the crown, is slightly above the ground level. Then firm the soil around the plants well, so that no air pockets are left. If air pockets are a stand and the plants may dry out and the plants die.

If your neighbors are interested in getting strawberry plants have them contact my office. Carl W. Sinclair, County Agent.

Jean Francois Millet, the French artist, sold "The Angelus" for \$200. Shortly afterward the picture changed hands several times, reaching a price of \$7500. After Millet's death, says Malcolm Vaughan in the current Reader's Digest, this famous work brought \$160,000 and might have gone higher except that the last purchaser took it off the market by giving it to the Louvre.

TRANSYLVANIA COLLEGE BEAUTIES—These four co-eds at Transylvania College in Lexington, Ky., have been named "Crimson Beauties" by The Crimson, Transylvania annual student publication, in which they will be featured. They are, from left to right, Miss Bruce Cook, ward of M. W. Cook, New Orleans, La.; Miss Jane Jordan, daughter of Mr. and Mrs. Dewey O. Wood, Bowling Green, Ky.; and Mrs. Cora Ann Lewis Thomas, daughter of Mr. and Mrs. Ernel Lewis, Bedford, Ind.

OBITUARY

LITTERAL

Mrs. Cora Litteral was the daughter of Jackie Black and Frances Ann Elam. She was born and raised in War Creek, Morgan County, and died March 31, 1955 at the age of 74 years, 1 month and 13 days. She was born February 18, 1881.

She was married to James Roybert Romm September 8, 1897. To this union were born four sons, Marvin, Roy, Robert, Ivan; and two daughters, Hazel and Dollie, all of whom survive and live in Ohio.

Later in years she was married to Wiley (Dick) Litteral and to them was born one son, Clifford Litteral with who she made her home since Mr. Litteral's death. She has three step-daughters, Florence Elam, Frankfort, Ky.; Gladys Johnston of Marion, Ohio; Rosa Black, West Liberty, Ky.; and 10 grand children, 7 great grand children, two brothers and three sisters. Her brothers are Albert Black of Topeka, Kansas; Christopher Black, Shelby, Ohio; sister, Marinda Easterling, Florence, Ky.; Rhoda Bradley, Ashland, Ky.; Rhoda Tyree, Cottle, Ky.

Mrs. Litteral joined the church at an early age and always lived a good christian life and was ready to go when God called her home. She will be sadly missed by all who knew her, but now we know she is resting with Jesus above.

STACY

James Elliott Stacy was born October 2, 1874, departed this life January 28, 1955 at the age of 80 years, 3 months, and 26 days. He was the son of William and Amanda (Prater) Stacy.

He was united in marriage to Mary Jane Haney and to his union five sons were born: Joseph Stacy, Stacy Fork; Willie Stacy,

Cannel City; Sammie Stacy, Blaine City; Cincinnati, Ohio; and Arthur Stacy, Moscow, Ohio; 19 grandchildren and 9 great grand children, a host of friends and relatives to mourn his loss.

He was converted and baptized May 19, 1937 at Centerville, Ky. He lived a faithful and devoted christian life until the end.

Dad has left this shore his earthly form we will see no more he crossed the river so cholly and deep in the arms of Jesus he has fallen asleep.

CARTER

Lieutenant Colonel Samuel Filson Carter II, who was called to Fort Myers, Florida, by the death of his father, Samuel Filson Carter, formerly of West Liberty, Ky., has returned to his post with the Air Force at Sumter, S. C.

Mr. Carter died at Lee Memorial Hospital, Fort Myers, after an illness of about a year. He was a pharmacist employed up to the time of his illness in the prescription department of a local drug store and before that had owned a drug store in Lexington, Ky. He made his home at 2109 Hoyal Palm Avenue in Fort Myers with his mother, Mrs. Benjamin Franklin Carter, widow of one of Kentucky's early physicians, and with his sister, Mrs. L. Y. Redwine, widow of Judge Redwine formerly of Winchester, Ky. Mr. Carter's mother was Miss Nettie Filson, daughter of the attorney Samuel Filson and descendant of John Filson, historian, who made the first map of Kentucky.

Mr. Carter had been in failing health but continued to lead an active life until Wednesday afternoon when he became critically ill and was rushed to the hospital where he died the next day. He was a Mason, Shriner, and an Elk and attended the First Methodist church here. The funeral was held at the Engelhardt Funeral Chapel with the pastor of the Methodist church officiating.

ing. Mr. Carter leaves his mother, who observed her 95th birthday last winter; his sister, Mrs. Heliwine who is prominent in club and church circles here; his son; a daughter, Mrs. Helen Carter Fitch; three grandchildren, Tommy Fitch, Anne and Samuel Filson Carter III, two nephews, Frank Carter of Louisville, Har-old Preston Carter of Houston, Texas, and a niece, Mrs. E. D. Lyman of Cincinnati, Ohio.

TRIMBLE

John Elliott Trimble was born in Johnson county, at Barnetts Creek, June 16, 1888 and departed this life April 7, 1955, at Lenox. He was the son of the late William M. Trimble and Cynthia Reed Trimble. On February 2, 1901 he was married to Selma Williams and to this union were born nine children, four of whom preceded him in death.

He is survived by his wife and five children, Ora Trimble, West Liberty; G. W. Trimble, North Baltimore, Ohio; Mary Ison, Lexington; Albert Trimble, Lenox, Vermont; Doolin, Dehart, thirty-nine grandchildren; thirty-one great-grand children one brother, James Trimble, South Portsmouth, Ky.; one sister, Julia Stapleton, Barren Creek, a host of other relatives and friends to mourn his loss.

lost. He was a devoted husband, a kind and loving father, always had a smile and a kind word for every one. He will be missed by all who knew him.

The Death Angel came and took our loved one away. He has gone from our midst here. His body will return to the dust from which it came, but his soul took wings and flew to rest in the arms of our God. May he rest in peace till God comes in all his glory to gather all his saints home. He told his family four years ago that he was saved and was ready to meet his God, and was not afraid of death.

Punch-line to the year's hottest power story—

Chevrolet "Turbo-Fire V8"!

This is the engine that's writing a whole new chapter in the book of automobile performance records. This is the engine that has stock car timers doing a "double take" at their stop-watches wherever experts gather to compare the abilities of the 1955 cars.

For example, in the recent NASCAR® stock car competition at Daytona Beach, Florida, Chevrolet literally ran away from every other car in its class—and a raft of others besides. In the one-mile straightaway run for low-priced cars, the first two places—and six of the first ten—went to Chev-

rolets. And in acceleration runs from a standing start against all comers, the Motoramic Chevrolet beat all other low-priced cars—and every high-priced car except one!

What's behind this blazing performance? A compact honey of a V8 that only the world's leading producer of valve-in-head engines can build. Chevrolet's new "Turbo-Fire V8"

It puts a new kind of fun in your driving life. You're in charge of 162 high-spirited horsepower—or if you're looking for even more excitement, the new "Super Turbo-Fire V8" (optional at

extra cost) puts 180 h.p. under your toe!

Pick the one you'd rather have fun with, then come in and get behind the wheel. You'll see why the Motoramic Chevrolet is showing its heels to every-one else on the road!

Morgan County Farm Home of the Week

HOUSE PLAN No. 43

AN EYE-CATCHING RAMBLER HOUSE

"There is a beauty of a ranch house," passersby will say after you build according to this plan. And all the members of the family will agree—from mother who enjoys the large, conveniently-arranged kitchen and the workroom area to little brother in sister who have a room all their own. Comfortable and spacious living is the keynote of FARM and RANCH Plan No. 5143. Yet every foot of it is usable space.

Here are some of its most attractive features:

1. Four bedrooms or three bedrooms and a den.
2. Two baths—one divided to accommodate two people.
3. An abundance of closet space where you need it.
4. An everyday living room to save the rest of the house from rough wear.
5. A large "company" living room, easily accessible to dining room and everyday living room.
6. A kitchen on the front, arranged so that no traffic goes through the meal preparation and serving area.
7. An extra-large pantry.
8. Living-dining rooms can be cut off completely from everyday traffic.
9. A heat-control room ideally located for mechanical hot-air heating system.
10. An easily accessible large terrace.
11. Beautiful and popular ranch styling.
12. Combination of cement asbestos shingles and brick for long life, beauty, and low maintenance.

You can obtain blueprints for this FARM & RANCH House Plan No. 5143 and a handy list of materials by which you can figure your construction cost accurately. Send \$2.00 to Building Editor, FARM & RANCH Southern Agriculturalist, Nashville, Tenn. Order by number—plan No. 5143. Blueprints are adequate for any far n carpenter or for any farmer handy with tools.

\$5 1/4 Million Spent For Transportation Of Students In '54

FRANKFORT, Ky., May 2—Kentucky's school districts spent \$5,652,502.25 on public school transportation during the 1953-54 school year, a figure which amounted to 8.85 percent of the total current expenses for the district, State Dept. of Public Instruction Wendell P. Butler reported today.

Transportation programs were maintained by each of the 120 county school districts and 51 of the 103 independent districts. County districts spent \$5,456,238 and independent districts \$196,264.25 for transportation.

The report, based on a study by John L. Vickers, director of pupil transportation, showed that an average of 252,189 pupils, or 43 percent of the number in average attendance, were transported daily, with 3,078 vehicles being used. Total daily mileage was 162,032.

County districts carried 243,968 pupils a total of 159,242 miles, using 3,005 vehicles, while independent district transported 8,221 pupils in 73 vehicles for a total of 2,790 miles.

Amounts spent by districts in Elliott county for school transportation last year were \$22,746.06.

Barkley Will Not Take Part In The Primary Election

FRANKFORT, Ky., April 25—Highway contracts executed last year for Morgan County totaled \$235,654.80 for 20 miles of construction and maintenance, according to a final tabulation for 1954 just completed.

State Highway Commissioner, M. W. Tindler reported that contracts for the entire state totaled work. Included were grade and drain work, surfacing, erosion control, pulling ditches and construction and maintenance of bridges and overhead crossings.

State and Federal Aid projects accounted for 1,588 miles of the contracts, worth \$30,672,265. Rural and secondary highway projects totaled 637 miles and cost \$12,128,552.

Not included in the tabulation is work done by the Department of Highways' maintenance crews.

LETTERS TO THE EDITOR

OLD FOLK SONGS

The Courier—
If our publisher can give us time and space, myself and perhaps others also would like to see the old folk songs of the Kentucky hills published before they are forgotten. I have wished many times I had copies of them with all the verses. If people will send them in, we may find that although old, some may be new to us. Some I remember most and hope some one will send in a "Rowan County Trouble," different versions of Barbara Allen and Pretty Polly; also Jersey City, Young Charlotte, Georgia, Little Sparrow, Floella, and many others. I enclose an old favorite we used to sing. It's an old song, but it was sung on TV very beautifully recently—

NIGHTINGALE

Two early one morning in the month of sunset May
I met a fair couple going this way
One was a lady, a lady so fair,
The other was a soldier, a brave volunteer.

I said to the couple, where are you a-going
Down by the river, down by the cool spring,
Going down by the river, down by the cool spring
To see the water a glide 'n hear the nightingale sing.

Oh, they had not been there but an hour or two
When out of a satchel a fiddle he drew,
He began to play softly a tune on the string,
Oh, hark, said the lady, hear the nightingale sing.

Oh now, said the soldier, it's time to return,
Oh no, said the lady, play just one more tune,
I would rather hear the fiddle, the song of the strings,
And see the water a glide 'n hear the nightingale sing.

Oh now, said the lady, will you marry me,
Oh no, said the soldier, that never can be,
I've a sweetheart in London as true as can be
Two girls in the army is too many for me.

I'll go back to London and I'll stay there one year,
And there I will think of you often, my dear,
If ere I return here it will be in the spring,
To see the water a glide 'n hear the nightingale sing.
—Jaley Brickey Oliver
Akron, Ohio

The Courier—
The article you had in the Courier some time back about Judge Ed C. O'neal and his father or living in every presidential term, I clipped from the paper and gave to a TV company and they put it on the air. It made a big hit here. I wanted to boost good old Morgan county because it is my old home. I still call it home although I have been away 48 years.

Five weeks ago I was in Tappan, Kansas, and I had a nice visit with Irvin Dennis and family. They are getting along nicely. We are having some warm weather—gets up as high as 80 some days, but we are in need of rain. Just 64 of rain in April so far, but everything looks nice and green. Wheat will be short. We have some bad dust storms that blow in here, and in some places it shuts visibility down to one city block. Then the highway patrolmen take over and direct the city traffic to avoid accidents. We can do with less rain than many places, for our soil holds moisture good if it is protected with a mulch or top cover.

Our peach and apricot crops are killed, but the cherry crop looks good.
I receive letters from different ones who are from Morgan that live some other place. They get my name from the Courier and I am glad to hear from them.
